CODE OF CONDUCT

Our institution believes in fostering a conducive environment for holistic development, and to achieve this, we have established a comprehensive code of conduct that outlines the expected behavior and responsibilities for both teachers and students. This code reflects our institution's aspirations and goals and aims to maintain the dignity and reputation of our institution. Let's take a closer look at the code of conduct for each group:

Code of Conduct for Teachers:

1. Following timings of the college: Teachers are expected to adhere to the designated college timings and be punctual in attending their duties.
2. Self-discipline: Teachers should maintain a high level of self-discipline in their personal and professional conduct.
3. Dress code: Teachers are required to dress professionally and follow the specified dress code guidelines.
4. Maintaining dignity and decorum: Teachers should always uphold the dignity and decorum of the institution, both within and outside the campus.
5. Obeying duties of the office as well as GOI & Govt. of A.P.: Teachers must fulfill their official duties and abide by the rules and regulations set by the Government of India and the Government of Andhra Pradesh.
6. Discharging duties concerning individuals, departments, and committees: Teachers are responsible for fulfilling their assigned duties related to individual students, departmental tasks, and committee responsibilities.
7. Maintaining good rapport and relations: Teachers should establish and maintain a positive rapport with colleagues, students, and other stakeholders.
8. Respecting elders and juniors: Teachers should show respect towards the senior members of the institution as well as support and appreciate the efforts of junior colleagues and students.
9. Integrity, harmony, and maintaining balance: Teachers should uphold the values of integrity, promote harmony within the institution, and maintain a balance between their personal and professional lives.

Code of Conduct for Students:
