NATIONAL SERVICE SCHEME
REGULAR ACTIVITIES 2020-2021**

The National Service Scheme (NSS) was started in the year 1969, September 24th. The motto of NSS is "NOT ME BUT YOU". The programme aims to mobilize the idea of the social welfare and the community development in students and to provide service to the society without bias. NSS Volunteers work to ensure that everyone who is needy gets to help to enhance their standard of living and lead a life dignity. The overall aim of the National Service Scheme is to give an extension dimension to the higher education system system and orient the student youth to Community Service, while they are studying in educational institutions. It is necessary to develop the social conscience of the students and to provide them an opportunity to work with the people in the villages.

The programme was started during the Mahatma Gandhi's Centenary year as it was Gandhi who inspired the Indian Youth to participate in the movement for Indian Independence and the social uplift of those downtrodden masses of our Nations.

Respected sir,

Happy world environment day!

It is the biggest and the most important day .It has been celebrating since 1974.It is a remind to us during the pandemic lockdown covid-19.And we don't think that nature is Granted for us.with this result of lockdown,we identified some slight changes which we never expect formerly such as pollution free air,species are roaming on the roads during night times and sky looks clean .It is a people's day,think about our responsibility of environmental protection

Excuse us sir,due to some problems we did not conduct webinar sessions. I mobilised the students to make a video on the environment day.Good response has come from them .They did good job to prepare the videos.Our College principal ,students made videos and I made an Audio.

Coming to percentages of states Kerala is once again the top most state in literacy,while Andhrapradesh is the bottom.So it is our duty to strive hard to enhance the Literacy rate.

Our Chief Minister is doing many welfare schemes to increase the literacy rate in the form of Free Education for all.

Respected sir

Greetings of the day

Today we conducted Awareness program on Covid-19 precautions and Plasma donation through online Webinar. For this we invited Dr T Samuel David Raj Lecturer in Zoology GDC-ARAKU

While Dr T Glory Daya Kuman Principal is speaking plasma donation is very good thing. There is no harm while donating plasma.

Dr T Samuel David Raj is speaking those who recovered from Covid-19 they can donate plasma to others because these people have ANTIBODIES which will help to others.

And added that PLASMA is a blood content which contains virus-fighting ANTIBODIES. So NSS Volunteers should bring change in the society on PLASMA DONATION as well as Covid-19 precautions such as wearing mask, maintain social distance and wash your hands with soap frequently or use sanitizer to your surrounding people in your village.

Respected sir

Greetings of the day

Today we organised webinar on Andhra Pradesh State Formation day. While principal madam speaking, it is our responsibility to remember the great sacrifices of our leaders today. And especially Potti Srinamulu's hunger strike for 56 days in support of the formation of Andhra State. His death sparked the public and the Prime Minister of Jawahar Lal Nehru, declared the intent newly formed liberated nation to form Andhra State three days following the death of Srinamulu. He contributed his life for the formation of a separate Telugu speaking state from the dominant Tamil-Speaking state of Madras presidency. His struggles led to the formation of a separate Telugu Speaking State called ANDHRA PRADESH.

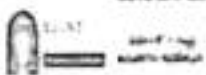

Apart from Srinamulu, many persons fought for the Andhra State whose sacrifices were appreciable and we should remember their struggles.

Greetings of the day

Respected sir

As per the instructions of Ministry of Youth Affairs and Sports and NSS coordinator, NSS cell Andhra University Visakhapatnam, today we organised programme on 125th Birth Anniversary of Netaji Subhash Chandra Bose

He was an Indian nationalist whose defiant patriotism made him a hero in India. The Indian National Congress, the main instrument of Indian nationalism, praised Subhash Chandra Bose's patriotism but distanced itself from his tactics and ideology especially his collaboration with fascism.

The honorific (Respected Leader) Bose left indelible remark which we can not erase forever in the mind set of Indians.

Regards

Meetings of the day
Held at our Madam.
Today we visited old age home at Nedigattu, U.V. Agraharam where thirty five senior citizens are staying. NSS volunteers cleaned their surroundings. We sponsored and served food for today with lemon rice, hard rice, sweets and fruits. NSS volunteers freely interacted with senior citizens. They come to know their ailments with age how they are suffering to survive and their different life styles.
One of my volunteers feed the patient who is unable to walk and sit.
While we were interacting them many interesting and pathetic issues had come out. Some people don't have any reason some other though they have family they came here for the sake of peace and most probably abandoned by their son and son.
Immediately after lunch they went into their rooms for rest. They blessed and advised that please do visit monthly once and this kind of service is the best one rather than other services.
In the afternoon we visited Orphanage at Gudala, Talavatala where fifteen children are staying we gave food, fruits and sweets. Later volunteers have played with children.

Number of volunteers participated 09
