NSS Regular Activities 2019-2020

The National Service Scheme (NSS) was started in the year 1969, September 24. The motto of NSS is "NOT ME BUT YOU". The programme aims to mobilize the ideas of the social welfare and the community development in students and to provide service to the society without bias. NSS volunteers work to ensure that everyone who is needy gets help to enhance their standard of living and lead a life of dignity. The overall aim of the National Service Scheme is to give an extension dimension to the higher education system and orient the student youth to community service, while they are studying in educational institutions. It is necessary to develop the social conscience of the students and to provide them an opportunity to work with the people in the villages.

The programme was started during the Mahatma Gandhi's centenary year as it was Gandhi who inspired the Indian youth to participate in the movement for Indian independence and the social uplift of those downtrodden masses of our Nations.

Swachhta Pledge

Mahatma Gandhi had dreamed of an India which was not only free but also free clean and developed.

Mahatma Gandhi secured freedom for Mother India.

Now it is our duty to serve Mother India by keeping the country neat and clean.

I take this pledge that I will remain committed towards cleanliness and devote time for this.

I will devote 100 hours per year that is two hours per week to voluntary work for cleanliness.

I will neither litter nor let others to litter.

I will initiate the quest for cleanliness with myself, my family, my locality, my village and workplace.

I believe that the countries of the world that appear clean are so because their citizens don't indulge in littering nor do they allow it to happen.

With this firm belief, I will propagate the message of Swachh Bharat Mission in villages and towns.

I will encourage 100 other person to take this pledge which I am taking today.

I will endeavour to make them devote their 100 hours of cleanliness

I am confident that every step I take towards cleanliness will help make my country clean.

SVLNS GDC BHEEMUNIPATNAM VISITED COMMUNITY CENTERS, OLD AGE HOME & ORPHANAGE from 11th to 13th.

7

BRIEF REPORT

As part of Swachh pakhwada 2019 Action plan from 11th to 13th NSS units will identify community centers for extending their services. So these three days we visited Old age home at Nerella Valasa. Our volunteers interacted with keen interest and Empathy with their loneliness. We distributed fruits and biscuits. The senior well experienced people advised us.. not leave your parents when you grow elder.

Second one, we visited one more community center at Gollala thallavalasa Mana kutumbam charitable trust (Orphanage). We interacted with them. Each one, they have their own goals at their tender age. Till evening we spent with them, ate with them (we have taken lunch with them).

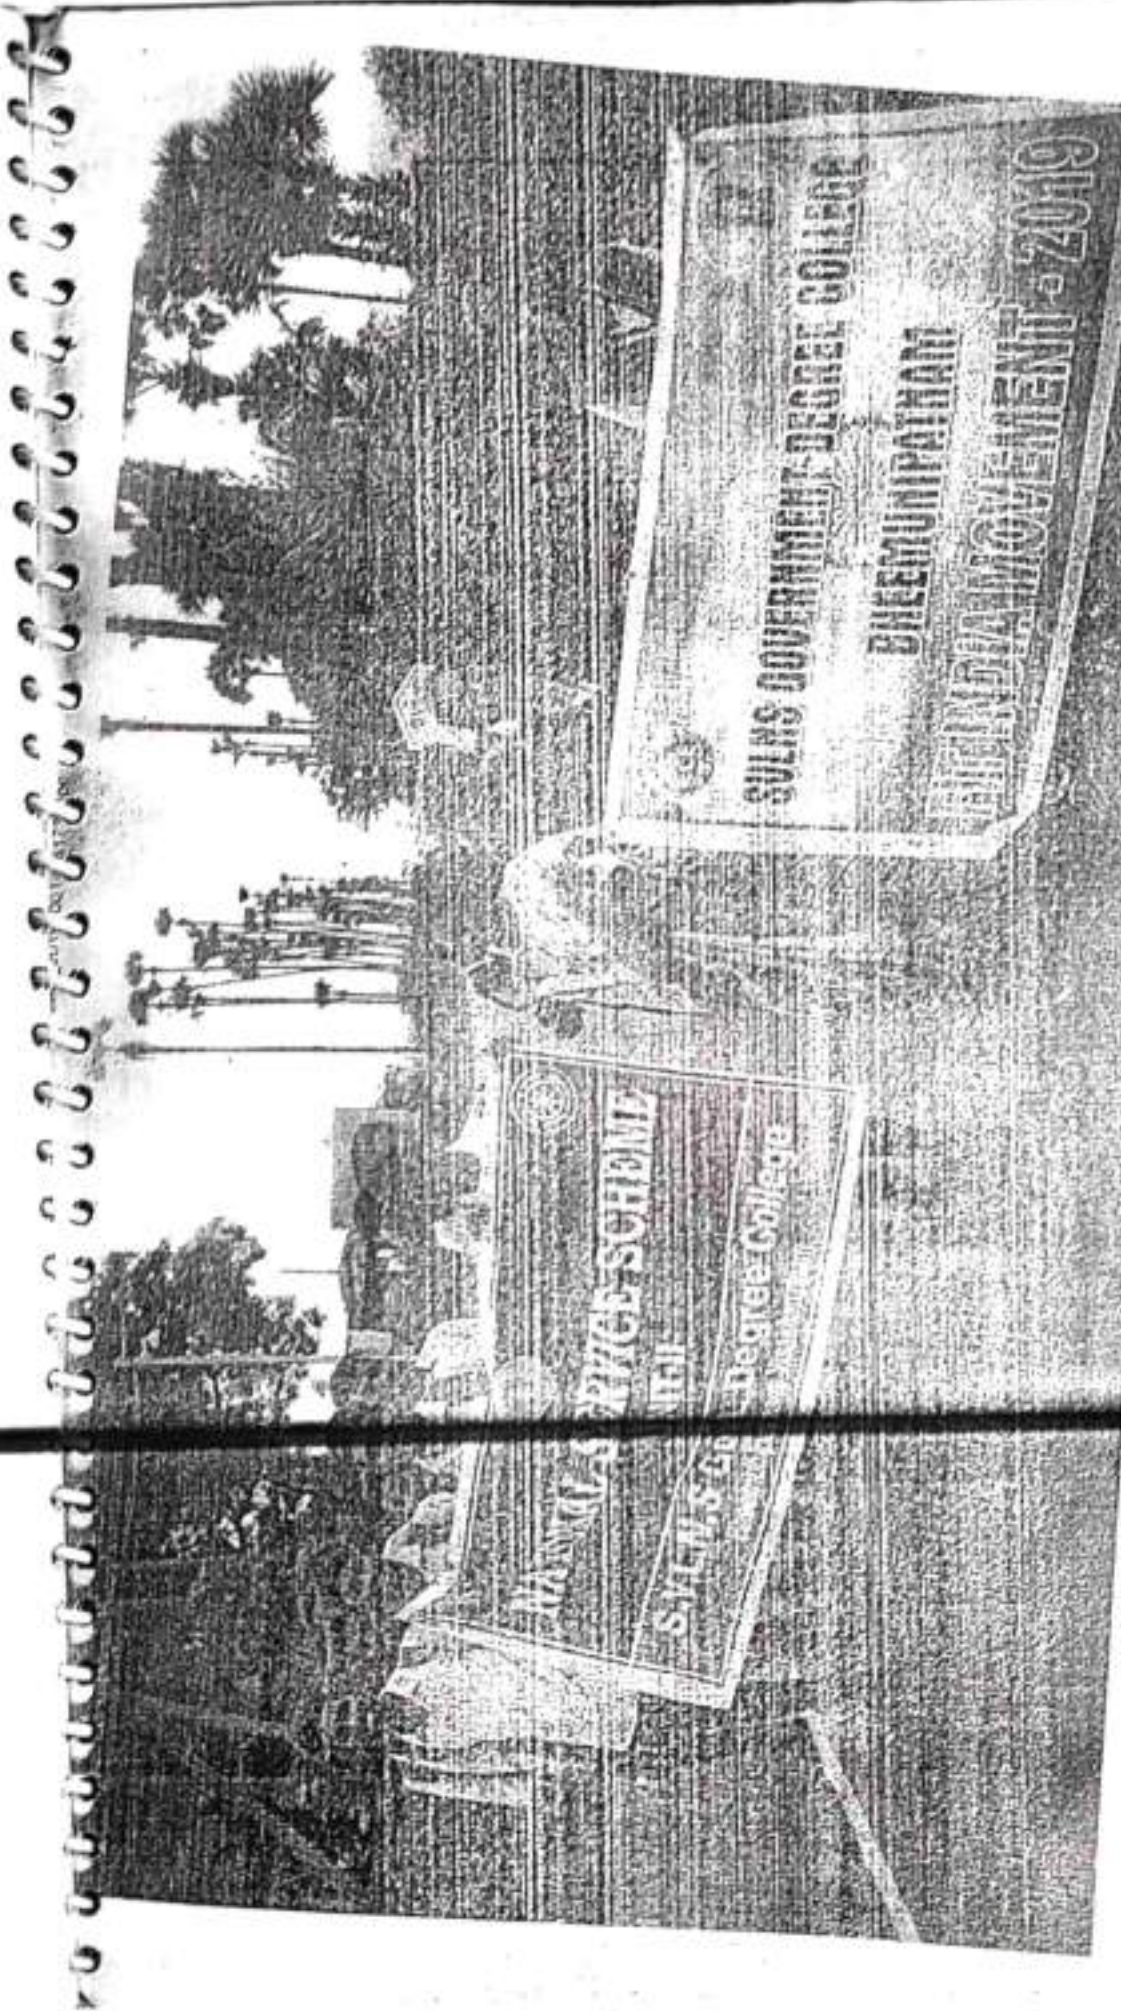

Finally our NSS volunteers felt happy and come to know the value of parents and life through these communities.

NUMBER OF NSS VOLUNTEERS PARTICIPATED :46
