10. Suggestions if any 19 responses

May include practical based projects

Introduce some Topics from Recent trends

Semester end examinations are not good for coverage of vast syllabus

Nil

Excellent

Good

Present B. Com course is not designed to get employment or to take a business. This course should be designed according to present market situations and useful to the students for generating employment.

Old papers and old syllabus in annual exam

Some changes syllabus semesters

It would be good if tally and project work in accounting papers from first year

If some books are those different contents

I and II-year syllabus load is heavy and in III year syllabus less burden better to balance

Satisfactory

Nothing

Needs to Zoology Practical's handling in the laboratory by the students

Well framed, benefited to student community

Introducing history subject in all colleges and awareness prominent history subject

Monitoring system should be conducted for the betterment of practicals and orientation

classes should be conducted on latest developments

Need some changes in the syllabus
